The UPS Store®

Looking for a mailbox that works as hard as you do?

Don't you worry about a thing. Mailbox services from The UPS Store® are designed to make your life easier with:

- **A real street address, not a P.O. Box:**

When you don't want to use your home address, but a P.O. Box doesn't project the professional image you need, our private mailing address is the ideal solution.

- **24-hour access:*** Pick up your mail and postal deliveries any time, day or night.

- **Package acceptance from all carriers:**

We'll hold your packages—even the oversized ones—until you're ready to pick them up.

- **Package notification:** We'll let you know when a package arrives. This saves you time and delivers peace of mind. No more waiting at home for a package delivery or risking valuable shipments being left on your doorstep.

- **Call-in MailCheck®:** Save a trip! Call first to find out if you have mail or a package.

- **Mail holding and forwarding:****

Traveling for work or for pleasure? Just let us know when and where and we'll forward your mail.

*Available at participating locations.

**Additional fees may apply.
